1. TRAVEL

There may be times when your child will need to travel in a car driven by a member of staff from Top Class Sport, for example, travel to and from the local doctor or hospital.

2. EXCURSIONS

Your child may go on an excursion/s during their stay with Top Class Sport. This is an additional cost and IS NOT paid for by the company.

3. SWIMMING

To be able to take part in any water sports on a Top Class Sport programme children should be able to swim 50 metres without an aid.

Please contact us if your child cannot swim 50 metres. This does **not** necessarily exclude them from joining in with water based activities.

4. PHOTOGRAPHY & VIDEO

Top Class Sport courses/programmes often use photography and video for video analysis with the delegates/campers and/or for marketing purposes.

5. MEDICAL

Top Class Sport's qualified First Aid staff will provide all participants on their programmes/courses/camps with the necessary medical assistance they deem to be appropriate in conjunction with the permission of, and information provided by, their parents/guardians. This will range from mild pain killers for headaches to the administration of appropriate treatment, including anaesthetic, as considered necessary and in accordance with the recommendation of a fully qualified medical practitioner.

Please notify us immediately if you have any queries or concerns relating to this section.
